Business Development Work Placement Program

This program will provide a one-year, full-time work placement for a recent graduate from an Alberta post-secondary institution with business development skills within a company in Alberta.

Applicant Instructions:

In order to be eligible to apply for a placement opportunity, you must be:

1. An Alberta resident, eligible to work in Canada for the entire term of the placement
2. A recent graduate (graduated at or after April 1, 2022) from an Alberta post-secondary program with relevancy to business and business development

To apply, please complete this form and submit with both a cover letter and Resume to Mitthua Sarkar-Banks, Senior Manager, Human Resources & External Talent Portfolio at Genome Alberta

Email: msarkar-banks@genomealberta.ca
